IF YOU ARRIVE AFTER HOURS:

(The Welcome Center hours vary seasonally, but is always open until at least 11:00pm)

VILLA GUESTS: Walk to the front door of the Welcome Center and pick up the phone by the lock box on your right. Our 24-hour staff will advise you on how to retrieve your check-in information from the lock box. Please return to the Welcome Center the next day to provide credit card information and sign your registration card.

INN GUESTS: Proceed directly to the Guard Gate and tell the officer that you are a guest of the Inn at Harbour Town, the 24-hour concierge will check you in at the Inn. Your Guest Pass will be transferred to the Inn on the next day.

IF YOU ARRIVE VIA TAXI OR SHUTTLE:

VILLA GUESTS: Remind the driver to wait for you at the Welcome Center while you check in and then take you to your villa. The villas are several miles past the Welcome Center, so it is imperative for the driver to wait while you check-in.

INN GUESTS: The driver will take you directly to the Inn at Harbour Town.

For shuttle service, we recommend **Yellow Cab** at www.yellowcabhhi.com or 1-800-TaxiCab

We do NOT recommend K-SHUTTLE: This shuttle will only take you to the Welcome Center and not to the Inn at Harbour Town or Villas, which are several miles past the Welcome Center. A taxi will be required to take you further than the Welcome Center.
